TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Croydon, in the County of Sullivan qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the 11th of March next at 11:30 o'clock in the forenoon, (polls not to close earlier than 6 o'clock in the afternoon), to act upon the following subjects:

ART. 1. To choose a Moderator for two years, one Selectman for three years, one Selectman for one year, one Supervisor of the Checklist for six years, one Treasurer for one year, one Tax Collector for one year, one Library Trustee for three years, one Trustee of the Trust Funds for three years, two Auditors for one year, and all such officers and agents as may be necessary for transaction of Town's business for the ensuing year.

ART. 2. To see what sum of money the Town will vote to raise and appropriate to defray Town Charges for the ensuing year.

ART. 3. To see if the Town will vote to appropriate and authorize the Selectmen to expend the Highway Block Grant Aid for the maintenance of Class 4 and 5 highways, the estimated amount to be \$18,454.32.

ART. 4. To see if the Town will vote to raise and appropriate the sum of twelve thousand (\$12,000) dollars for the General Expense of the Highway Department.

ART. 5. To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000) for summer and winter maintenance of roads.

ART. 6. To see if the Town will vote to raise and appropriate the sum of three thousand dollars (\$3,000) for the maintenance of the Town Dump.

ART. 7. To see if the Town will vote to raise and appropriate the sum of one thousand five hundred dollars (\$1,500) for the upkeep of cemeteries.

ART. 8. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000) for cutting brush.

ART. 9. To see if the Town will vote to raise and appropriate the sum of three hundred dollars (\$300) for Newport Hospital.

ART. 10. To see if the Town will vote to raise and appropriate the sum of one thousand eight hundred dollars (\$1,800) for the lighting of streets and Town Buildings.

ART. 11. To see if the Town will vote to raise and appropriate the sum of one thousand eight hundred dollars (\$1,800) for Social Security on Town Employees for the ensuing year.

ART. 12. To see if the Town will vote to authorize the Selectmen to hire all necessary sums of money for use during the year in anticipation of taxes.

ART. 13. To see what sum of money the Town will vote to raise and appropriate for Insurance.

ART. 14. To see what sum of money the Town will vote to raise and appropriate to defray the cost of the Library, including the Librarian's salary, heat, etc. Librarian's salary to be paid directly by the Town.

ART. 15. To see what sum of money the Town will vote to raise and appropriate for the Newport Area Home Health Agency.

ART. 16. To see if the Town will vote to raise and appropriate the sum of one thousand four hundred fifty-three dollars and forty-six cents (\$1,453.46) for the Newport Ambulance Service.

ART. 17. To see if the Town will vote to raise and appropriate the sum of one thousand nine hundred sixty dollars (\$1,960) for the Newport Dispatch Service.

ART. 18. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) for the Police Department.

ART. 19. To see if the Town will vote to raise and appropriate the sum of four thousand dollars (\$4,000) for the Croydon Volunteer Fire Department.

ART. 20. To see if the Town will vote to raise and appropriate the sum of six hundred twenty-three dollars (\$623) to support the Sullivan County Regional Refuse Disposal District.

ART. 21. To see if the Town will vote to raise and appropriate the sum of seven hundred fifty dollars (\$750.) for the purpose of up-dating reappraisal of property.

ART. 22. To see if the Town will vote to raise and appropriate the sum of four thousand dollars (\$4,000) for the Capital Reserve Fund for New Equipment.

ART. 23. To see if the Town will vote to raise and appropriate the sum of three hundred dollars (\$300) for the Planning Board.

ART. 24. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000) for Old Age Assistance.

ART. 25. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000) for General Assistance.

ART. 26. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) for the "The New Bridge Trust Fund."

ART. 27. To see if the Town will vote to authorize the Selectmen to apply for any and all federal grants as may be available.

ART. 28. To see if the Town will vote to combine the office of Town Clerk and Tax Collector for a one (1) year term commencing March 1987.

ART. 29. To see what salary the Town will pay the Town Clerk/Tax Collector and the Deputy Town Clerk/Tax Collector.

ART. 30. To see if the Town will vote to construct an addition to the Town Hall to house the municipal offices and equipment relating thereto.

ART. 31. To see if the Town will vote to authorize the Selectmen to negotiate a lease of a building to house the municipal offices and equipment relating thereto.

ART. 32. To see if the Town will vote to construct a Town Garage for the Highway Department.

ART. 33. To see if the Town will vote to raise and appropriate the sum of two hundred fifty dollars (\$250) to support the Sullivan County Hospice, Inc.

ART. 34. To see if the Town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the town of Croydon and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the U.S. Department of Energy's (DOE's) present plan to dispose of radioactive waste and into the DOE's competence to carry out such a plan.

ART. 35. To see if the Town will vote to update the cemetery regulations to read:

"For the purpose of clarification, a "resident" is defined as a person who has resided in the town of Croydon for not less than three years prior to acquiring the lots. However, it is understood that at times there will be extenuating circumstances when a resident will not have resided for three years, and this will be taken into consideration by the Cemetery Committee. A person must purchase deeds to a lot within six months of leaving Town."

A section of the Croydon Flat Cemetery will be reserved for single cremations. The size of the lot will be 2'x 2' and sell for \$25. All other regulations pertaining to the Croydon Flat Cemetery will apply.

Only four (4) cremation urns will be allowed on a regular sized lot.

Installation of all markers, stones and foundations must be with the knowledge of and meet the approval of the Cemetery Committee.

Given under our hands and seals at said Croydon this 24th day of February 1986.

The Town of Croydon's records and the Town Clerk's safe, which holds them have been in the Gross home since 1920. When my term of office expires in March of 1987, the records will change hands and I hope it will be to a Town Office and not a private home. I often wondered what was Town property and what was private property and it was due to a gradual change in the same household when I became Clerk in March of 1965 that I was able to obtain that information from Dana Gross, the former clerk.

The duties of the Clerk have changed over the years, new ones have been added, and yet many have remained the same. The most time consuming is the registration of motor vehicles and issuing dog licenses, followed closely by State and Town Elections. There is the preparation before the elections and the recording after those elections plus a full day attendance at the Hall. The next duty to take up time is genealogy and the mail. The minor duties consist of recording vital statistics, the yearly report, recording pole licenses and commercial codes, filing dredge and fill permits, recording appointments, registering new voters and submitting same to the Supervisors, and selling Sub-division regulations. The most important of all is the care and preservation of the Town Records.

If anyone feels they are truly interested in the office, please stop in during the year and I would be glad to show them some of the duties or to assist them in any way I can. The State holds seminars throughout the year and you are expected to attend. The first meeting soon after taking office is a 'MUST'. There is so much to learn.

The Town Clerk needs to be a 'MINI-LAWYER', not only keeping abreast of the new State laws pertaining to the office, but also the old Town laws passed at Town Meeting for roads, culverts, cemeteries, etc.

I would suggest that the Town Clerk's office be closed a full week of March 1987 during the transition period.

OFFICE HOURS:

Monday, Tuesday, Wednesday, Thursday, 5:30-8:30 PM

Saturday afternoon and Sunday by appointment.

NO OFFICE HOURS ON FRIDAY.

RITA D. GROSS

Town Clerk

SUMMARY OF THE TOWN MEETING

Town Officials elected by ballot were as follows:

Selectman for 3 years	Willis Ballou, Jr.
Road Agent for 1 year	Francis Partridge
Trustee of Trust Funds	Dr. William Hickey
Library Trustee	Joyce Walsh
Auditors for one year	Ramona Truell and Marilyn Thorson

The Town voted to raise and appropriate a total of \$82,941.10 which are itemized on page of this report. Several sums were transferred from one account to another: From Revenue Sharing to the General fund for: Reappraisal of property—\$750.00; General Expense of Highways—\$1,000.00; Summer/Winter Roads—\$1,000.00; Dump—\$1,000.00; Police Department—\$1,000.00.

Under Art. 29, the Town voted to authorize the Selectmen to apply for any and all federal grants as may be available.

Art. 30. Administrative Assistant to the Selectmen. After a considerable amount of discussion, there was a motion on the floor to vote by ballot. This did not pass. The Moderator then asked for a show of hands and the count was 16 in favor and 20 against. The Town did not appropriate any monies for a part-time assistant to the Board of Selectmen.

Art. 31. Appointed Road Agent. Following some discussion, the Town voted to change the method by which the Road Agent is selected from ELECTION BY BALLOT to that of APPOINTMENT BY THE BOARD OF SELECTMEN effective as of Town Meeting 1986, by a show of hands with 17 in favor and 15 opposed.

Art. 33. Report of 1984 Committee to study the Town's needs. The report was accepted as printed on pag 61 of the 1984 Town Report. The motion was then made that the Moderator appoint another Committee to report next year with DEFINITE RECOMMENDATIONS to be considered.

Art. 40. "Disabled" entrance to the Town Hall. It was decided to table any action and re-convene on TUESDAY, JUNE 11 at 7 PM.

Art. 41. Any other business. Michelle Huneven requested a vote of the people to express their feelings on the proposed dam at Sichol Swamp. The vote showed the general majority were not in favor of the dam.

Wm. Walsh requested a vote on the hours of Town Meeting...the will of the people for an evening meeting was 17 NO and 13 YES...the will of the people for a Saturday was not counted by seemed to be overwhelmingly in favor of Saturday meetings.

At 6:30 PM the Moderator declared the meeting adjourned until TUESDAY, JUNE 11 at 7 PM.

Continuation of Town Meeting Tuesday June 11, 1985

The Moderator, Jules H. Pellerin, called the meeting to order and a motion was made to take up Article 40 off the table for reconsideration.

Selectman Willis Ballou, Jr. spoke on the proposed ramp for the Town Hall. The Selectmen had engaged an engineer, Mr. Giles, to study the problem and they had a blueprint of the proposed ramp. Selectmen Wm. Walsh circulated the drawing and spoke on it at length. Estimated cost of ramp building by United Construction was \$3,784.00. Estimated cost of ramp by Richard Collins was \$3,045.00.

The Town voted to send it back to Committee (which are the Selectmen) and to present it again at 1986 Town Meeting with one or more additional designs. This was passed in the affirmative by voice vote.

Art. 41. Any other business...Mr. Rastalis was present to speak on the proposed dam sites to affect Croydon. He was permitted to do so by a show of hands. He spoke in detail on the origin of the idea of these dams started in 1964 when the State began to study the watershed program and proposed a dam at Sichol Swamp, Ash Swamp and Long Pond. One question was asked, "Is it recorded somewhere that Croydon was in favor of this dam?" and he said "Yes". The question was asked because it is not a part of Croydon's written records.

The meeting closed at 8:35 and was so declared by the Moderator.

CROYDON POLICE DEPARTMENT 1985 ANNUAL REPORT

1985 saw no increase in the number of serious offenses, the number of calls was less and the number of people who had to be reminded to get their dogs licensed was less.

I am grateful to the citizens of Croydon who assisted me during the past year and appreciative of those who supported me. My thanks to the New Hampshire Fish and Game Department and to the New Hampshire State Police.

FRANK H. HOLMES
Chief of Police

REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1984 and June 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with *your* help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulations is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

Forest Fire Statistics - 1985

Acres Burned	24

Number of Fires, Town	0
Acres Burned	0

CROYDON VOLUNTEER FIRE DEPARTMENT

The fire record in the Town of Croydon is far from perfect, but it is far below the national average.

We lost one large barn and the livestock in it, and one home at Croydon Flat sustained extensive damage to the first and second floors caused by faulty chimney construction.

The new addition to the fire station is very near complete and is open for bingo games every Thursday night and various other functions during the week.

It took a lot of hard work on behalf of the fire department and the Auxiliary, but we feel it was worth every minute. I would like also to thank you the townspeople who contributed in any way toward the construction and success of this project.

In the process of drilling for water we hit a real good source of water at four hundred and ten feet. It was decided that since the flow appeared to be endless, we would set up a water supply for area residents needing good drinking water. The water was tested and appears to be of very good quality. A copy of the test is on file at the fire station.

Remember: Smoke detectors do save lives—but only if they have good batteries and function properly.

Respectfully,
HARRY P. NEWCOMB
Fire Chief, Town of Croydon

LADIES AUXILIARY OF THE CROYDON VOLUNTEER FIRE DEPARTMENT

The Ladies Auxiliary of the Croydon Volunteer Fire Department have been outstanding, remarkable volunteer women who have given many, many hours of their time in the last ten years for our Croydon Fire Department.

Ten years ago our Ladies Auxiliary was created serve our community and we have met many aims and goals. We managed to survive the many trials and tribulations so inherent with volunteer organizations.

This past year has been a very busy year with all our activities and moving into the new Croydon Fire Station Hall. It was a great accomplishment and we are all very proud of the new addition to the Fire house.

We run weekly Bingo games every Thursday night, served our annual Mother's Day Turkey Dinner and Hunter's Roast Beef Dinner, plus helping with the annual Firemen's Auction, selling knives, raffle tickets, cookbooks, flea market, and selling food at sales.

The Ladies Auxiliary feels it only fitting to take this time (which is almost impossible to put into words) to say many, many thanks to the amount of assistance we have had from our townspeople and also our Croydon Volunteer Firemen who have earned and deserve a hearty, "Congratulations". The Volunteer Firemen have the ability to fight fire when it occurs, and are equipped with the best apparatus our community can afford.

The creation of the Croydon Volunteer Fire Department has made all our homes here in Croydon a safer area to live in.

An application is available for any person who would like to join us and the Ladies Auxiliary would "welcome" you in becoming a member.

Respectfully submitted,
MADELEINE DEARDEN
President

REPORT OF THE BUILDING OFFICIAL

As in the previous two years, building in Croydon proceeded during 1985 at a brisk pace. The majority of projects were small in size and cost and were accomplished by property owners currently living in the town.

In all, 22 building permits were issued throughout the year. There were 17 two years ago and 19 last year. The following is the list of projects approved by official permits (are there others that weren't?): one house, one barn, one assembly hall (attached to fire station), six garages, three home additions, five storage buildings, one office structure, two porches, one garage to home conversion, and a project involving finishing the second floor of a presently used home.

A few annual reminders: a state of New Hampshire approved septic system is required to construct a new home or install a mobile home. Permits cannot be issued until a copy of the approval is obtained and presented to me. Where electrical is involved, please solicit a licensed electrician to inspect work done by others. I'm sure everyone would agree that smoke alarms are a must in all habitable structures. Finally, permits are needed for most projects. Simply call me and I'd be happy to advise.

The cost of a permit is \$1 and can be procured from me at my residence on the North Newport Road in the Flat. My telephone number is 863-1764.

Respectfully submitted,
Jack Thorson,
Building Official

COMMITTEE REPORT

We, the committee persons listed below have, as charged by Mr. Pellerin, Town Moderator, been studying the concerns of the Town Selectmen as listed on pages 61-62 of the 1984 Town Report.

After six months of meetings and two public hearings, November 14, 1985 and January 15, 1986, the committee is ready to make their recommendations on the issues for possible enactment at the March 1986 Town meeting. Committee members are not unanimous in their feelings on the recommendations; however, the majority are in agreement that the listed solutions are needed and over a period of time will be best for Croydon Town Government.

(1) The committee recommends that the office of Tax Collector and Town Clerk be combined into one *elected* office. It also recommends that an hourly rate of \$5.25 for a maximum of 30 hours per week be paid. In conjunction with the above recommendation, the committee recommends that the Town enter into a lease agreement with Arthur G. Ansart, Jr. for office space in the real estate office formerly owned by John and Gloria McDonough for a fee of \$201.60 per month for a period of one to two years. This is a stop-gap measure until a new Town building can be erected.

(2) The committee recommends that a new building be constructed to house *all* municipal offices. The committee had several choices to investigate, including erecting a building on land owned by the Ladies Auxiliary and Fire Company. Their response to the Committee's letter to erect a building on their property was a negative one for various reasons. The committee has two viable solutions left, one and the most popular at our January 15th meeting, is to add on to the rear of the Town Hall in a northerly direction and using the area between the Town Hall and Church for the access road. This would eliminate the purchase of additional property, making the whole project less expensive. The Second option left is to purchase the Guy C. Dodge property on the Camel Hump Road. This could prove to be attractive because of additional sand and gravel to be used by the Town Roads Department and the possible expansion of the Town Cemetery at a later date.

(3) The Committee recommends that a new Town Shed be constructed to replace the present one now in use which has been

found wanting and extremely hazardous. It is the members suggestion that the present Town shed be demolished and a new shed be erected on the same site large enough to house *all* the Town Highway equipment. The building will have a dirt floor except one partitioned off room with a concrete floor and large enough for a work area to repair Town equipment. The room would be insulated and heated.

(4) Due to the low price of lumber "on the stump", the committee is recommending that any action on selling Town timbered land be held in abeyance for further study and a possible Forest Management Plan.

(5) The New Hampshire-Vermont Solid Waste plant is now under construction and the target date to be on-line is still 1987. It is the recommendation of the committee that the Town Selectmen keep abreast of the details and notify Croydon tax-payers of all information they feel is pertinent.

The committee is fully aware that the recommendations listed above will be more expensive for each and everyone of us, but they are needed. We feel that the buildings can be financed by bank loans at a favorable low Town rate over a period of years. In the late 1970's and early 80's the Town was asked to pay back to the Blue Mountain Forest Association, the sum of \$12,246.47 for a five year period. This was done without a noticeable hardship. The Committee checked with the State Department of Revenue Administration and an outlay of \$14,000.00 to our present tax rate of \$20.00 per thousand, would increase the tax rate to \$21.00 per thousand. Bank loans are available to the Town in the 6% range. The Committee has worked diligently to gather and provide you with as much information as possible. It is you, the Tax-payer that will make the final decision in March.

UPPER VALLEY—LAKE SUNAPEE COUNCIL

The Upper Valley—Lake Sunapee Council is a public, non-profit voluntary association of towns and cities in the Upper Valley and Lake Sunapee areas. Our thirty-one (31) communities are in two states and five counties.

The Council consists of a Board of Directors and a professional staff. Each town or city annually appropriates funds for the Council's operation and sends two representatives to participate on the Board of Directors. The Board elects officers, adopts the annual work program and budget, and develops policies and positions on issues that are important to UV-LSC communities.

The Upper Valley-Lake Sunapee Council is the official organization that brings towns and cities within our region together. By bonding together and pooling their resources, local governments have a highly trained, professional staff available to them for a wide variety of services. Areas of expertise include land use planning, master planning, economic and community development, water quality management, transportation, landscape architecture, housing, capital budgeting, historic preservation, downtown revitalization, solid waste planning, recreation and fiscal and environmental impact analysis. The Council also serves as a collective voice for these towns and cities in dealings with state and federal governments, thereby protecting and furthering the needs and interests of our communities.

Council Staff members include Robert Varney, Executive Director; Vicki Smith, Senior Planner; Lisa Mausolf, Historic Preservation Specialist; Gregg Lantos, Transportation Planner; Tad Redway, Landscape Architect and Planner; Melinda Artmen, Community Development Coordinator; John Olmstead, Housing Rehabilitation Specialist; Susan Elder, Economic Development Specialist; Jim Klinger, Draftsman; and Andrea Adams, Joan Austin, and Lori Brown, Secretaries. These staff members offer a wide range of expertise available to our communities.

The Council has been busy working on a variety of regional programs during the past year. The following is a brief summary of some of our regional activities:

- o provided administrative and planning services to the Upper Valley Solid Waste District, a bistate district with 15 member communities'

- o developed regional septage management plans which will become components of the solid waste plans for the Sullivan County, Upper Valley and Pemi-Baker Solid Waste Districts;
- o provided continuing assistance to the regional transit operators, and worked closely with the State Highway Department to develop a comprehensive highway planning program;
- o continued the regional historic preservation program, including historic surveys, national register nominations and historic preservation plans;
- o continued the Sullivan County Economic Development Program to retain and expand employment opportunities in Sullivan County;
- o Continued work on the Lake Sunapee Management Plan;
- o co-sponsored another successful Household Hazardous Waste Collection Day, groundwater protection seminar and Municipal Law Lecture Series;
- o provided economic, population, housing and other data to communities, organizations, banks, real estate firms and consultants for use in fiscal studies, market analyses and grant applications.

As requested by communities, the Council prepared applications for state and federal funds, evaluated development proposals, prepared amendments to local zoning, subdivision, site plan review and other local regulations and provided mapping, drafting and other planning assistance.

The Council's staff of professionals stands ready to assist your community in addressing the planning and growth management issues which you will face during the coming year. We also encourage you to become more familiar and involved with the Council, since we are essentially an arm of local government addressing your needs.

**SULLIVAN COUNTY REGIONAL REFUSE
DISPOSAL DISTRICT
1985 ANNUAL REPORT OF ACTIVITIES**

After six years of discussion and planning by your District Committee, a 200 ton per day waste-to-energy facility is now well under construction in Claremont, New Hampshire.

A revised twenty year waste disposal contract was signed with Signal Environment Systems on April 12, 1985. The contract provides that Signal will be the owner and operator of the facility and is responsible for up to \$7.6 million in financial contributions in the form of equity or debt secured solely by Signal. An additional \$18.15 million in Industrial Revenue Bonds were sold by Signal through the New Hampshire Industrial Development Authority on August 12, 1985.

Clark-Kenith, Inc. began construction of the facility for Signal during May 1985. Construction is expected to be completed during the Spring of 1987, at which time the District municipalities must begin delivering waste to the facility.

Hydrogeologic modeling for the 78 acre ash disposal site in Newport is now complete and engineering and permit applications will begin early in 1986. The ash disposal site must also be in operation by the Spring of 1987. Funds for construction are included in Signal's bond issue even though the ash disposal site is owned by the District.

The New Hampshire Air Resources Commission is in the final stage of adopting hydrogen chloride emission standards for the facility. This will necessitate some changes in the design of the air pollution control system and an increase in the disposal fee paid to Signal. Negotiations are underway with Signal to determine the appropriate control system and costs.

During 1986 the District will be working on development of a recycling system which may be fully utilized by member municipalities. A full-time recycling manager is included in the budget for 1986.

The District will also be working with the member municipalities to assist them in the development of a transportation system necessary to deliver waste to the facility when it becomes operational.

If individuals have questions concerning any aspect of the Project they should not hesitate to contact their District Committee member or the Project office at (603) 543-1201.

Submitted by,
THEODORE R. SIEGLER
Project Manager

PLANNING BOARD ANNUAL REPORT—1985

The Board met monthly throughout the year.

An application for a subdivision of the so-called "Watering Trough" acres, submitted by Patten Realty Co., was approved with restrictions protecting the watershed to the spring supplying the watering trough on Route 10.

The Board acted on your behalf to reconfirm the objection of the townspeople to the creation of a dam in the Sichel Swamp area. It appears that the dam will not be built.

As the year ends, Patten Realty has before the Board an application for a major subdivision in the area of Pine Hill and Rocky Bound Pond.

A new member, Arthur Ansart, and a new alternate member, R. Grieve, have been added to the Board.

Respectfully submitted,
R. O'BRIEN, Chairman
W. BALLOU, JR., Selectman
G. GROSS, Alternate
A. ANSART
R. GRIEVE, Alternate
W. HICKEY, Secretary

CROYDON CONGREGATIONAL CHURCH

During 1985 there were many changes made at the Croydon Congregational Church. The Rev. Philip Anderson resigned March 15 after serving as our pastor for eight years. Polly Shamy came to us March 17 as interim pastor. Under her leadership we hosted the Sullivan Association Spring Meeting and had a very successful Vacation Bible School. In September Polly accepted the calling from the Ascutney Church so we had another change. The Rev. Heidi Hoskin accepted our calling in September and is our present pastor. Mrs. Brown, our organist for many years moved out of the area in the Spring so for the summer months we either sang without accompaniment or Peg Hawkins or Peg McComas, Newport, filled in. When Heidi began, she mentioned that she could get us an organist, Julie Assur, who, thank goodness, is still with us. After waiting for a couple of years for someone to paint the inside of the Church, Greenwood Painting brightened us up and everything looks just "peachy". LaValley Building Supply contracted to lay carpets and after quite a wait, we have a carpet and runners. Cecil Dodge and Philip Anderson installed wiring and lights. We look so bright and cheery now! We had a Thanksgiving Eve Rededication Service with many guests from the surrounding churches. Our Christmas Eve Service was well attended by the townspeople.

Services are held at 10:00 a.m. each Sunday. Heidi visits with many of us on Wednesday and Friday afternoons. She is from Hanover Center but can be reached by phone at 643-2941. During the summer months we continue to worship at the Croydon Flat Church.

Respectfully submitted,

DONNA LESLIE
Clerk

ANNUAL REPORT

OF THE

Croydon School District

July 1, 1984 to June 30, 1985

EXECUTIVE ORGANIZATION

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District, in the Town of Croydon, in the County of Sullivan, in the State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on the 15th day of March 1986, at ten o'clock to act upon the Articles set forth in this warrant not covering the election of District Officers. Said Officers will be acted upon at Town Meeting on the 11th day of March 1986 in Said Town Hall with voting by official ballot and checklists and polls will remain open for this purpose from eleven o'clock a.m. until six o'clock p.m.

ARTICLE 1. To choose a Moderator, Clerk and Treasurer for the ensuing year; and to choose two members of the School Board, one for the ensuing three years and one for one year.

ARTICLE 2. To hear reports of agents, auditors, committees or officers chosen and pass any vote relating thereto.

ARTICLE 3. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District officials and agents, and for the payment of statutory obligations of the District; and to authorize the application against said appropriation of such sums as are estimated to be received from State sources together with income; the School Board to certify to the Selectmen the balance between the revenue and appropriation which balance is to be raised by taxes by the Town.

ARTICLE 4. To see if the District will vote to authorize the withdrawal of up to \$19,000 from the Capital Reserve Fund—School Buses—established at the 1983 Annual District Meeting, for the replacement of the school bus, and that the School Board be named as agents of the District to carry out this vote.

ARTICLE 5. To see if the District will vote to appropriate up to \$2,000 of any unencumbered balance, accruing June 30, 1986 to be placed in the Capital Reserve Fund for school transportation needs.

ARTICLE 6. To see if the District will authorize the School Board to make application for, to receive and spend in the name of the District such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from federal, state, local or private agencies as outlined in RSA 198:20-b.

ARTICLE 7. To transact any other business that may legally come before this meeting.

Given under our hands this 19th day of February, nineteen hundred and eighty-six.

CROYDON VILLAGE SCHOOL REPORT

Dear Mr. Sokul,

It is a pleasure to report to you on the state of the Croydon Village School.

Physically, the building is in good repair. We need to have the furnace cleaned. The wiring in the furnace room needs to be replaced as it has become worn and frayed due to moisture from a leak in the roof and from soot from the furnace. We are short of storage space and hope to be able to remedy the situation in the near future.

Educationally, the seventeen students in grade one, two and three are having an exciting year. Not only are they being taught the three R's, but they are writing everyday, putting on plays, learning musical compositions and having an opportunity to improve their physical fitness. Mr. Brettell and I are working on both the math and language arts curricula to establish minimum competencies in each area for each grade level.

The School Lunch Program continues to provide tasty and nutritional lunches under the able management of Susan Kemp.

This is Ramona Truell's last year on the Croydon School Board. She has been very supportive of our efforts to keep the building well maintained and to provide the teaching materials and support for the teacher in his efforts to provide a well rounded program for the students. Mona has given of her time unselfishly and will be missed by all of us who have worked with her.

Sincerely,
ANNE S. SEGAL
Assistant Superintendent

CROYDON VILLAGE SCHOOL

Our little one-room school, one of the few remaining in New Hampshire, is thriving. We have an interesting, innovative teacher, Charles Brettell, Jr. and his capable aide, Susan Kemp, who also manages the lunch program.

Reading, math, social studies, science, art, some dance and music are all taught at the little red schoolhouse. Collaborative efforts with Charles and other instructors have resulted in the students getting French and astronomy taught on a regular basis. Block grants have provided two computers, disc drives and a printer for the school.

The overall condition of the school is very good, with new, pressure-treated steps replacing the old, cracked, cement steps.

Over the past few years, soffits have been replaced, bricks pointed up, windows caulked, trim painted and a new fence put up.

A small library within the school and weekly access to the Croydon Town Library provides the students with plenty of good reading.

Even though it is 1986, we've been able to preserve some of the historical past and we are very proud of our unique school.

Respectfully submitted,
RAMONA TRUELL
MARILYN C. THORSON
SUSAN O'BRIEN
Croydon School Board

REPORT OF THE DIRECTOR OF PUPIL PERSONNEL SERVICES

Special Education services are available to every student in the Croydon School District. The Croydon Village School has a pupil placement team consisting of the child's classroom teacher, speech/language pathologist and if necessary, the Director of Pupil Personnel Services. When a child is in need of special education services, the team together with the parents plan and develop an individualized educational program designed to meet the educational needs of the student.

The Croydon School District has nine handicapped students. All of these students have language and learning disabilities and receive their special education services in the Newport Public Schools. At this time, there are no handicapped students at the Croydon Village School.

This year a new Elementary Mentally Retarded program was developed to serve the children from School Administrative Unit #43 who are between the ages of six and eleven. These students were previously placed in School Administrative Unit #43 Pre-School Program located on the campus of Colby-Sawyer College in New London. This new program is located at Richards School in Newport and provides special education services within a small class setting.

I want to thank our teachers, parents, and School Board Members for their continued support of our exceptional children. I encourage you to visit our programs and see first-hand the excellent work our teachers are doing in educating our special children.

ROBERT B. PROHL
Director of
Pupil Personnel Services
